EDUCATION

- 2025-2027 **MSc Mathematics**
University of Bonn
Current average: 1.0 (German grading scale). Probability, stochastic processes, Markov processes, MCMC, numerical analysis, and scientific computing. Master's thesis on hydrodynamic limits for interacting particle systems.
- 2023-2024 **Erasmus+ exchange**
University of Warwick
Advanced coursework in mathematics and statistics; First Class in all modules.
- 2020-2025 **Double BSc in Mathematics and Statistics**
University of Seville
Mathematics average 9.0/10; Statistics average 9.45/10.

RESEARCH AND SELECTED PROJECTS

- 2026- **Hydrodynamic limits for interacting particle systems**
University of Bonn
Master's thesis in preparation.
- 2024-2026 **Cost-Sensitive Constrained Elastic Net**
University of Seville
Constrained regularisation for subgroup-aware predictive performance; short paper and poster prepared for IWSM 2026.
- 2025 **Drone routing for event filming**
University of Seville
Mixed-integer optimisation with battery and time-window constraints.

TEACHING AND SERVICE

- 2026 **Tutor - Introduction to Numerical Analysis**
University of Bonn
- 2024 **Press team volunteer - 9th European Congress of Mathematics**
Seville
Daily congress coverage and interview translation.

SELECTED HONOURS

- 2026 **XVI Andalusian Award for Best Academic Trajectory in Statistics**
- 2025-2027 **"la Caixa" Postgraduate Studies Abroad Fellowship**
- 2024-2025 **Spanish Ministry of Education Collaboration Scholarship**
- 2023-2024 **Santander Erasmus Scholarship**
- 2018-2019 **Amancio Ortega Foundation Scholarship**

SKILLS

- PROGRAMMING R, Python, MATLAB, LaTeX, SQL, JavaScript, HTML/CSS.
- LANGUAGES Spanish (native), English (professional), German (basic).
